

**The iDrop @ The British Airways i360**

**Covid-19 Procedures**

The following measures are being implemented at our iDrop in line with government advice on social distancing. Please read these before attending the iDrop so you are aware of the relevant procedures that will be in place on the day:

- 1m+ social distancing rule in place at all times between anyone from different households
- Staff will be wearing face coverings and gloves, where required, to adhere to the 1m+ rule
- Staff will be asked to stay at home if displaying symptoms and isolate as per the current Government guidelines
- Participants are advised that if they are feeling unwell and/or presenting any Covid-19 symptoms they must not attend the iDrop, as per the current Government guidelines
- Participants will have their temperature checked by the BA i360 team on arrival. Anyone displaying a high temperature associated with fever will not be permitted to enter
- Participants will be asked to clean/sanitise their hands before touching any equipment
- Participants will be provided with gloves to be worn whilst taking part in the iDrop as per normal procedure
- Participants must wear a face covering in all indoor areas whilst on site, this includes in the pod as you wait for your turn, in the West Beach Café on arrival, and wherever else you are prompted to do so
- Participants may wear a face covering in outdoor areas providing there is no risk of entanglement with equipment, however this is not compulsory, apart from in indoor areas, as described above
- Face coverings are not compulsory in cases where an individual is exempt on medical grounds. Please be aware that you may be asked for government issued proof of exemption

There is a maximum number of participants that can book into each session, this is normal procedure and is well within the venue's maximum capacity for the pod and allows for social distancing to be maintained throughout your iDrop experience.

We look forward to welcoming all participants to the BA i360 for a thrilling adventure!

If you have any additional questions relating to this, or anything else, please contact us using the details below.
