You will not be permitted to participate in The AMO Abseil and will not be refunded if you have a blood alcohol reading above zero or if you refuse to be breathalysed or if we reasonably believe that you are under the influence of substances (legal or illegal) which would make it unsafe for you to Abseil or make you unable to understand the Safety Briefing on the day of the Abseil, the Safety Rules and Policies or the safety instructions and advice of the Abseil Guides issued on the day of the Abseil.

#### d) Physical & Psychological Requirements

1. The AMO Abseil requires physical exertion to complete the Abseil. It is also psychologically challenging. 11. We will not allow admission of pregnant customers to the AMO Abseil. This is due to the discomfort and/or potential risk of harm to the participant/unborn child which could occur during an abseil whilst pregnant.

12. It is your responsibility to notify us in advance of placing your booking of any special access requirements you may have (at least two weeks prior to the abseil), as we may not be able to accommodate all special access requirements if we have not been made aware of them prior to the date of the visit, which may result in you not being allowed admission without refund. We will use reasonable endeavours to accommodate special access requirements and ask you to provide further details about your needs as we may reasonably request in order to assist you.

13. You will be required to confirm in the Declaration Form that you are not suffering from any medical condition, which would put your health and safety or that of other Abseilers at risk.
